PRIORITISATION FOR PRODUCTIVITY AND IMPACT
[This session will be hosted on the Zoom.us platform]
In a new world of finance teams working remotely with rapidly evolving challenges, maintaining and growing productivity without burnout is becoming more critical than ever. Former Microsoft FD and finance innovation specialist Oliver Deacon will lead a short session on how effective prioritisation and empowerment can lead to increased productivity, and more importantly, better impact. The session will include introductions to practical tools and a short breakout group to discuss opportunities to implement.
Trainer: **Oliver Deacon**, Executive Coach, **Oliver Deacon Coaching**
- 6:25 PM - 6:30 PM** | CHAIRMAN SUMMARY
Harry Xenophontos, Head of Acquiring & Digital Payment Services at **RCB BANK LTD**
