

Informative Circular: **1/2021 [IC 1_2021]**

To: **ALL MEMBERS OF THE INSTITUTE**

Date: **4 January 2021**

Subject: **Upcoming webinars, courses and other
online learning activities free of charge**

ICPAC intends to support its members to keep up with their continuous professional development (CPD). ICPAC is in contact with organizations and member bodies to offer its members distance learning through electronic means. At the same time, ICPAC is looking at ways to offer its own planned seminars and training programs in the form of webinars.

Information on whether CPD units can be claimed as verifiable or unverifiable are indicated as a note below each training activity. Members are reminded that CPD units are assessed and accepted as valid on the basis that they are relevant to a member's current role or future career aspirations.

This is a living document. We shall keep you informed on upcoming webinars, courses and other activities, once these are available.

ICPAC

You may access the electronic training platform which is accessible from the Institutes website <https://lms.vinciworks.com/icpac/login.aspx> free of any charge. In this platform there are uploaded courses that deal with issues of compliance and money laundering, fraud and corruption and cyber security but also other e-learning modules regarding current issues, namely GDPR, the COVID-19 outbreak and the European DAC6 Directive.

The e-learning modules are available throughout the year and it is noted that all these e-learning modules each carry a **0,5 verifiable CPD unit**.

Other organisations webinars

The following webinars and other online learning activities are offered to all ICPAC members **free of charge**:

1. Upcoming Webinars

Organisation: ACCA

1. [The Magick of Intentional Communication \(on24.com\)](#) - Date: 11th January | Time: 13:00pm –14:00pm EET

Webinar Summary:

Join ACCA Western Europe for a webinar jointly organised with SOEL and ICPAC aiming to put the spotlight on intentional communication. Communication is an area of life in which most of us may not always be effective. The concept of being in communication is normally cluttered with a lot of noise. This presentation will begin to explore the beginning stage of discovering how to communicate intentionally and what is possible when you are effective in your communication.
