IMPORTANT NOTICE
TO ALL ACCA/ICPAC STUDENTS

Dear Students,

Ahead of the September exam session, we'd like to reassure you that the health and safety of students continues to be our number one priority.

To adhere to local authority Covid-19 guidelines and ensure ACCA exams can go ahead safely, there are very specific requirements in place which may be different from previous sessions and we share these with you below - please read them carefully as they are very important for your and others' safety.

On exam day, all students **MUST** provide a SafePass to gain entry to the exam room. More information has been provided below, as per the latest decree by the Ministry of Health.

For a SafePass, citizens aged 12 and over must present one of the following forms of evidence:

1. Vaccination certificate with at least one dose and after a period of 3 weeks has passed
2. Proof that a person has contracted COVID-19 in the last 6 months. Students may present the release text message, or the recovery text message sent to their mobile phone by the Ministry of Health

If one of the above does not apply, and as a temporary solution, students aged 12 and over are given the option to present a negative test certificate, from a PCR or a rapid test, valid for 72 hours. Citizens may present either the form provided by the different test units, or the text message sent to their mobile phone with the result of the test. It is specified that certificates from an antibody test or self-test will not be accepted.
