

# How to reset/obtain your password for ICPAC REGTEK PORTAL – STEP BY STEP GUIDE

## STEP 1

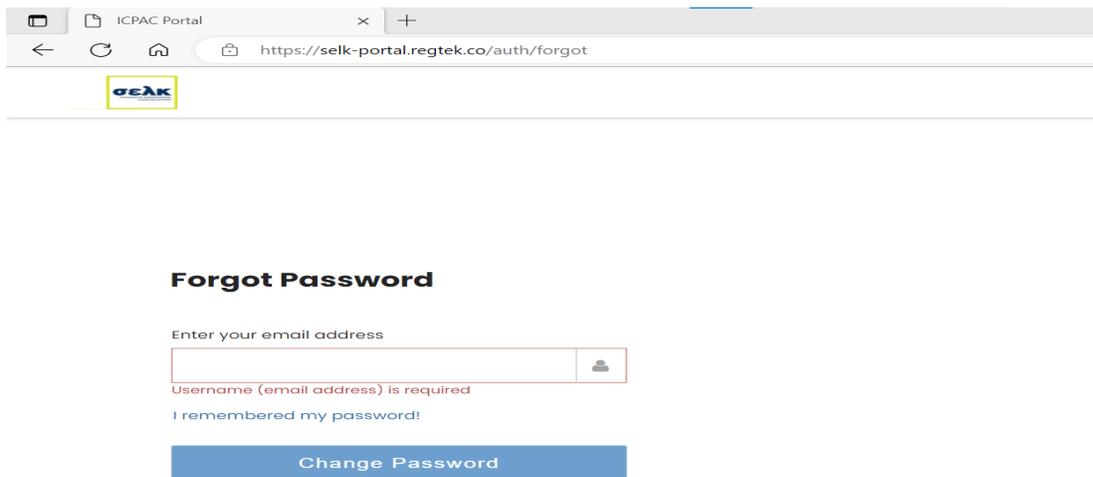

Go to [ICPAC Portal \(regtek.co\)](https://regtek.co) and click on “Forgot Password”

The screenshot shows a web browser window with the address bar displaying <https://selk-portal.regtek.co/auth/login>. The page features the SELK logo at the top left. Below the logo, the heading "Sign In" is displayed. There are two input fields: "Email Address" and "Password". The "Email Address" field has a user icon on the right, and the "Password" field has an eye icon. A link labeled "Forgot password?" is positioned below the password field. A blue "Sign in" button is located at the bottom of the form.

## STEP 2

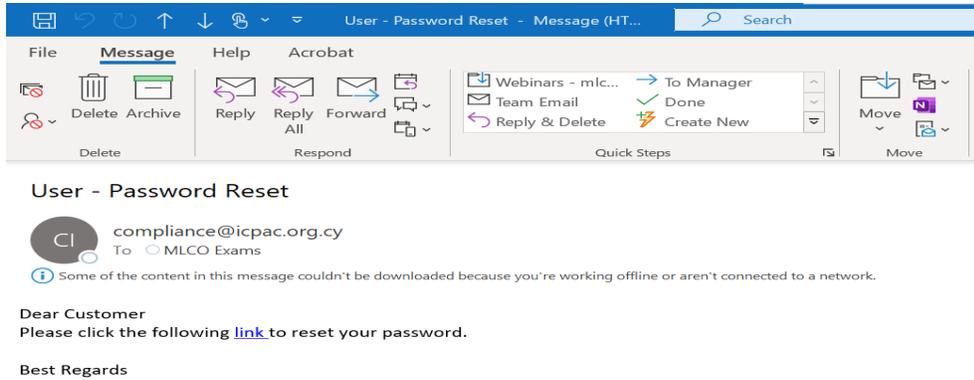

Enter the email address of the Compliance Officer of your firm and click on “change password”

The screenshot shows a web browser window with the address bar displaying <https://selk-portal.regtek.co/auth/forgot>. The page features the SELK logo at the top left. Below the logo, the heading "Forgot Password" is displayed. There is one input field labeled "Enter your email address" with a user icon on the right. Below the input field, the text "Username (email address) is required" is shown. A checkbox labeled "I remembered my password!" is located below the text. A blue "Change Password" button is positioned at the bottom of the form.

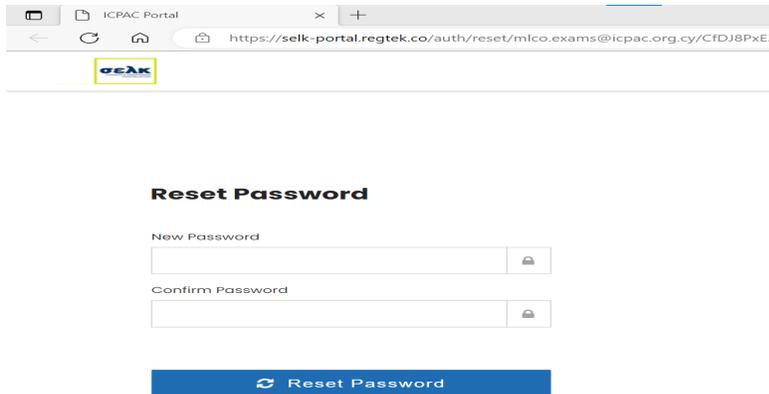

### STEP 3

An email will be sent to the email address stated in STEP 2/Click on “Link” to proceed

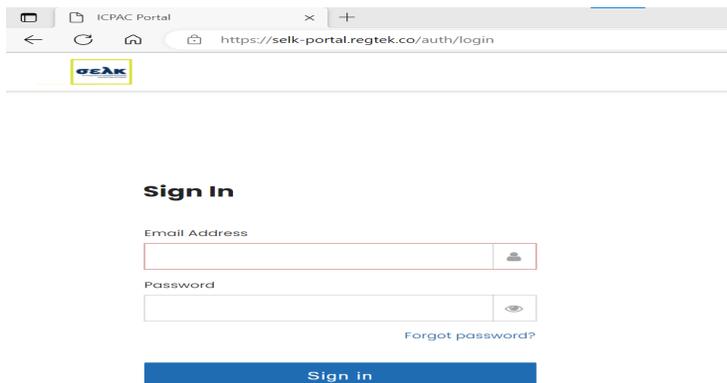

### STEP 4

Enter your new password/confirm new password/ click on “Reset Password.”

### STEP 5

You can now enter your email address and new password, then click on "Sign in."

If the aforementioned solution does not resolve your technical problem, please feel free to reach out to us **via email** at [compliance@icpac.org.cy](mailto:compliance@icpac.org.cy) . Please describe the problem you're facing in detail and, if possible, attach a screenshot to assist us in better understanding and addressing the issue.
