Subject:

**New ICPAC Portal for Compliance Matters
– “ICPAC REGTEK PORTAL”**

We are excited to announce the launch of the new ICPAC Portal for Compliance Matters, “**ICPAC REGTEK PORTAL**”, which has been designed to enhance ICPACs risk assessment and risk categorization process and assist in its on-going monitoring function. The system will also provide firms with a more user-friendly and streamlined experience when submitting requested information.

All firms will be provided with designated personalized credentials which will provide them with continuous access to their own information. To this end, we will be sending you an email from compliance@icpac.org.cy that will contain your login credentials for the new ICPAC Portal.

In addition to your credentials, a video tutorial was prepared that will guide you through the process of logging in to the new portal. The video tutorial can be accessed via the following [link](#). We recommend that you watch this tutorial carefully before attempting to access the platform.

If you have any questions or concerns regarding the new portal, please do not hesitate to contact our support team at compliance@icpac.org.cy.

Is important to note that the new ICPAC Portal will be used for **all** future Questionnaires that are released and/or any other specialized communication. Therefore, it is imperative that you familiarize yourself with the portal and understand how to access it, as it will be an essential tool for your **compliance work and communication with ICPAC** moving forward.
