

Save the date for our Women in business panel discussion

Wednesday 17 October
18:00 - 20:00

European University
Auditorium Beta,
1st Floor Nicosia

Join ICAEW and ICPAC for the latest in our series of Career Development Panel Discussions, profiling female finance professionals in business, practice and the banking sector.

How do finance professionals approach important areas such as leadership, effective team-working, communication, and dealing with negotiation and conflict?

How do gender issues impact career development and what are the possible solutions on a personal, organisational and government level?

Join us for a great opportunity to discuss these issues, opportunities and challenges with our inspiring panelists.

More details to follow.
