## Invitation

---

Limassol Municipality and Frederick University cordially invite you to participate in the Webinar: Blue Limassol Forum 2020.

### ***Sustainable Coastal, Marine & Maritime Environment***

**Friday, 29 May 2020, 17:30-19:30**

Blue Limassol Forum is an annual event, established in 2020 by the Mayor of Limassol, Mr Nicos Nicolaides. The Forum aims to air key issues and initiatives directly linked to the Blue Economy, capitalizing upon Limassol's unique characteristics as a leading commercial and shipping centre and a major coastal port city in the SE Mediterranean, as well as promoting maritime and environmental awareness amongst local citizens.

This year's Forum will focus on topics relevant to "Sustainable Coastal, Marine & Maritime Environment". Invited speakers and participants will discuss initiatives already in place and share examples of good practice to stimulate further dialogue and action demonstrating collaborative environmental leadership and promoting wellbeing in Limassol, our Blue City.

The webinar will be conducted in English.
