

GENERAL CIRCULAR: 17/2018 [GE 17_2018]

To: ALL MEMBERS AND STUDENTS OF THE INSTITUTE
Date: 4 October 2018
Subject: Technical Alerts service

Dear colleagues

I am delighted to inform you that the Institute is enriching its provision of services by the circulation of the **Technical Alerts** newsletter. The first one (TA_1/2018, <https://www.icpac.org.cy/selk/common/PreviewDocument.ashx?itemId=2152&refItemId=T470DOCUMENTS&refTableId=470&language=EL>) has already been circulated, and more alerts will follow on a systematic basis.

Technical Alerts aim at bringing to your attention the most recent developments from IFAC, IAASB, IASB, IPSASB, IESBA, IAESB, Accountancy Europe and other relevant international organisations. It would cover a wide spectrum of information about, inter alia, auditing, accounting and educational standards, ethics, public sector standards and other useful information.

The Technical Alerts are prepared by the Technical and Professional Matters unit of the Institute.

Yours sincerely

Kyriakos Iordanou
General Manager
